

HERE'S HOW TO GET THE CORRECT SIZE

For best results, measurements should be taken over your undergarments.

Neck Measure at the base or the fullest part of the neck.

Chest/Bust Measure around the fullest part, just under arms and across shoulder blades.

Waist Measure loosely around waist at the height you prefer to wear waistband.

Hips Stand, feet together, and measure around the largest circumference at hips.

Arms (Sleeve Length) With elbow bent, measure from center (back) of neck to elbows and down to wrist.

Body Length Measure from the highest point of the shoulder to the lower hip.

Sizing does vary between brands.

We recommend that you use the specific brand size chart to ensure a comfortable fit for "every body".
